Get ready to sip, taste and shop with us!

For more than 30 years, Homeward Bound has been supporting families and their children experiencing homeless through our shelter program, case management, and supportive services. Serving more than 700 families last year, our mission is meeting every family's unique needs on their journey home. Together, we are working toward our vision of a Valley where every family has a home.

Join us for the event of the year as we continue to support families facing homelessness.

Sip

Enjoy wine, spirit and beer tastings from local Arizona wineries, distilleries and breweries.

Taste

Dive in on a decadent brunch atmosphere filled with heightened hors d'oeuvres.

Shop

Shop various local Arizona businesses providing unique, handmade and sustainable products as a portion of their sales goes to the families of Homeward Bound.

Cocktail Competition

This must see competition features local mixologists making delicious unique cocktails. Those cocktails are then paired with a once in a lifetime auction package to be auctioned off to our guests.
